The Eta Chapter of Delta Kappa Epsilon enjoyed yet another great year. This fall, we celebrated our 165th anniversary where it was great to see a good amount of alumni and enjoy a weekend of fun with brothers past. We culminated an exciting fall by partaking in a meal-packing event at our chapter house the Thursday before Thanksgiving after our annual Turkey Bowl football tournament for the organization Rise Against Hunger where we were able to pack 11,000 meals as a chapter. The event was so successful, it inspired an IFC wide meal-packing event that took place this spring where all 30 fraternities took part.

This spring, we enjoyed a successful rush where we accepted 15 new members before kicking off a fun and exciting semester. We were able to bond with our new brothers and expose them to the tradition of our chapter through numerous events throughout the spring such as our New Member Lunch with a number of alumni in early April at Farm-

ington which is always a highlight. We culminated the spring with our annual philanthropy event DKE Beach which benefits the Norma Livingston Ovarian Cancer Foundation where we were able to successfully raise over \$2,500. Our chapter is filled with varsity athletes (including the captain of the lacrosse team), club athletes, Jefferson Scholars, members of the Raven Society, leaders of Madison House, and many more active brothers showing how special our chapter is.

We would like to thank the alumni for their generous contributions and are excited for the renovation of the basement this summer where three rooms will be added to the house. It truly means a lot that you all care for and support us in so many ways. I hope this letter finds you well and hope to see some of you soon in the near future.

165TH ANNIVERSARY REUNION

The fall of 2017 found the DKE house celebrating another milestone on Grounds. With the help of the actives, the house celebrated its 165th anniversary in style. As with previous anniversary celebrations, attendance was great and brothers from all over the country arrived to kick off the weekend for a cocktail party at the house. Saturday included a wonderful afternoon at the Hobby farm followed by dinner at Alumni Hall. We have included a few pictures here to highlight what a fun event it was.

This anniversary also marked the completion of fundraising for the Jefferson Scholarship (see excerpt) that many brothers kindly donated to and worked very hard on establishing. Many thanks to those who had a hand in creating significant impact for the University and honoring David Magoon. We'd like to say thanks to Ed Ayers and Nick Chapman for their excellent speeches and thanks to George Morison and Bob Green for their hand in the event as well.

You can certainly look forward to another celebration in 2022. This tradition has become a favorite for many brothers and always reminds us of the strength and bond between the brotherhood across all generations.

165TH ANNIVERSARY REUNION

ANNUAL CHARITY GOLF EVENT

In April, the DKE house had another successful golf event to raise money for ovarian cancer research. The house is proud to donate \$4,505 to the cause. The event was again held at Birdwood Golf Club which provided excellent accommodations and was very tolerant of wayward golf balls. This event has become a highlight of parents' weekend for the actives and we were happy to say multiple "non-family" alumni attended as well.

Congrats to the Eisman/O'Reilly team for taking home the crown with a score of 59. Closest to the pin was awarded to David Koeppel and longest drive to Tommy Elia.

Dear DKE alumni,

Over the past 5 or 6 years, DKE brothers have been active members and leaders of the Virginia Ski and Wake club. The club has been a great way for DKEs to get out of Charlottesville and get on the water. In the past, we relied on funding from the University and personal contributions from brothers. We had been using a boat that was passed down from a family who no longer needed it.

Unfortunately, we did not receive funding for the current year and our boat is no longer functioning. We are seeking funding to purchase a new boat off Craigslist and to fund the slip fees. The boat we are looking at is listed for \$6900 and the annual slip fees are \$2600 per year. If you would be willing to contribute or have any further questions, please don't hesitate to reach out to David or myself. Our contact information is below.

Sincerely,

DKE-MAGOON JEFFERSON SCHOLARSHIP

As many of you are aware, in early 2017 a group of DKE alumni launched a major fundraising initiative to endow a Jefferson Scholarship in the name of the fraternity and in memory of David J. Magoon, class of 2003. We are pleased to announce that the fundraising campaign has now concluded, and was a major success! Building on the early momentum we achieved last spring, we decided in June to raise the campaign goal from \$500,000 to \$1,000,000. In September at the DKE 165th anniversary gala, we formally presented our pledge to the Jefferson Scholars Foundation, and were honored to have in attendance David Magoon's parents, Drs. Elbert and Martha Magoon, as well as his faculty advisor, Dr. Robert Brown. In February of this year,

we successfully reached our goal of \$1,000,000 in pledges thanks to the extraordinary generosity of our alumni base. In all, we received gifts and pledges from more than 130 Eta alumni, as well as a significant commitment from the active brotherhood and a gift from the DKE International Rampant Lion Foundation.

As a result of this tremendous support, we are in a position to sponsor a Jefferson Scholar as early as the 2019-2020 academic year. Our cash-on-hand currently sits at \$432,000, along with pledges of close to \$550,000 to be made over the next 4 years. After next year's Jefferson Scholar national selection process concludes in April 2019, we will discuss with the Foundation whether there is a suitable candidate who possesses the personal qualities exemplified by David Magoon and who is also deserving of financial aid, which is the primary criterion we have placed on the DKE Scholarship. (As many of you know, the Jefferson Scholars selection process is entirely merit based; however, after the candidates are selected, donors may specify certain qualities that they wish to see in the student attached to their gift. In our case, we have chosen to sponsor a student who would otherwise have qualified for need-based aid from the University).

It is our intention that we will sponsor a Jefferson Scholar roughly every four years, meaning that at any given time there will always be a DKE-Magoon Scholar on the Grounds. We also hope to provide opportunities for our alumni and actives to meet with and develop a personal relationship with that student. Along those lines, we are tentatively planning to hold a gathering in Fall 2019 should our first scholar have been selected at that point.

Thank you to all of you who supported this initiative, which has brought widespread commendation through the University community for the size and speed of the campaign.
