

# ST. ANTHONY HALL

FALL 2019

ALUMNI ASSOCIATION OF VIRGINIA

HALLUVA.COM

Dear Brothers,

I am pleased to report that we are thriving here on Grounds at the University of Virginia. We commenced the fall semester with 63 active brothers and are looking forward to welcoming a new pledge class at the conclusion of formal rush in a few short months. Our rush efforts this year are headed by Jack Hudson '17, and we hope to form a diverse pledge class from all over the United States and the World but most importantly pass down our sacred traditions to young men who will uphold the spirit, honor, and integrity of St. Anthony Hall once our class is gone.

The mission that we set out at the beginning of the year was to help our bonds grow. We do this by celebrating with brothers, to share in their triumphs and their defeats, to laugh with them in the good times and to console them in the bad.

## Alumni Relationship

The Upsilon chapter continues to thrive with the support of our loyal Alumni Association and network. Our local alumni contact, Ned Parrish '95, has been very helpful this year especially with the 160th upcoming in April. We are very excited to see many of y'all in Charlottesville this upcoming April for the reunion. It is not unusual to see many alumni around 133 Chancellor Street before games for one of our tailgates. Even this semester we have received air conditioning units for the chapter room and replaced the boiler for the house. Many thanks to Frank Hamlin '90 and John Hamlin '22 as well as the Alumni Association.

## Administration Relationship

I am pleased to announce that we continue to sustain a strong relationship with the university even with the shifting administration. With Hal Turner, the Assistant Dean of Students & Director of Fraternity & Sorority Life, leaving the university this past semester, we have made sure to keep an open channel of communication with the office of Fraternity life as well as the Dean of

Students, Allen Groves. We also have members serving in multiple positions such as Matt Nightingale '17 serving on the Faculty and Alumni board.

## Philanthropy and Community Service

On Friday, October 11 we hosted a golf tournament through which we donated all the money towards the Boys and Girls Club of Charlottesville. Brothers Jack Hudson '17 and Ed Garno '18 won the tournament and we raised way past our goal of \$500. Additionally, we are about to begin a weekly volunteer/mentor program with the Boys and Girls Club here in Charlottesville to continue our support. Our philanthropic events are organized this year by Justin Tennery '17, Richmond McDaniel '18, and Brown Simmons '19.

Ed Garno '18 is heading our annual 'Movember' Foundation fundraiser, which successfully raised \$11,000 for research and awareness of men's health last year.

## Athletics

Our chapter has always demonstrated excellence in intramural sports, and this year is no different. We're entering the football playoffs as the number one seed, yet we will not be naive enough to let arrogance keep us from remaining focused one game at a time. We have a lot of athletes with experienced football minds and even a former varsity defensive lineman, John Kirven '19 and former varsity decathlete Jack Claiborne '17. Hopefully, we will bring another football IM championship to the Hall. The team is captained by John Damgard '18.

We also have many brothers who excel in club and varsity sports at UVA. Sasha Clements '17 is the president of and starts for our club soccer team which brought home a national championship. Jefferson Dockter '18 is currently on the tennis team and is in the running for captain in the upcoming year. In addition to Jefferson, Paul Rodriguez '19 was a part of the national championship varsity lacrosse team last spring.

## Looking Ahead

Frankly, I have never seen the Hall in better shape. This semester has been amazing thus far, and next semester will be one of the most memorable for us all as we celebrate the 160th Reunion in April. This event and weekend will bring generations of Hallies together for a shared experience reminding us all the strength and power of the ties formed in our brotherhood. In addition to this, we have our annual Billy Hill Memorial Philanthropy Event. The run and party that follows raise money for the American Heart Association in honor of the late Billy Hill '77. Looking forward, our chapter is excited to rush the next pledge class of young men to carry on the values of our Fraternity. As always, please do not hesitate to reach out to me or any member of the Upsilon chapter – we hope to see many of you in Charlottesville whether it be for a tailgate, a B-Night, or anything, our door is always open.

## PAN-MASS CHALLENGE

The first weekend in August 2019, I was joined by brothers Jake Holleran (Upsi 2012 / CLAS 2015) and Rob Vozenilek (Upsi 2012 / CLAS 2015) on a two-day, 198-mile bike ride across the commonwealth of Massachusetts to raise money for cancer research with the Pan-Mass Challenge (“PMC”). The PMC currently raises more money for charity than any other single athletic fundraising event in the country. Every penny of rider-raised funds goes directly to the Jimmy Fund, benefiting the Dana-Farber Cancer Institute, a leader in life-saving cancer research and treatment. In 2019, the PMC donated a record \$63 million to Dana-Farber marking a truly special event.

In addition to raising money for cancer research, the PMC is an exceptional event because it forms bonds of comradery and friendship amongst riders striving towards the goal of ending cancer forever. Although Jake, Rob, and I stay in regular communication (Jake is currently my roommate in NYC), this event helped us create another bond reminiscent of those forged at St. Anthony Hall. Together, the three of us were able to help each other along the ride by taking turns ‘pulling’ up a hill, setting the pace at the top of the pace-line, or grabbing beers for one-another after a long day’s ride. I can surely say that having two of my pledge brothers alongside me crossing the finish line was a moment I will not soon forget.

Finally, thanks to many of our friends, families, and brothers, we were able to do some good and raise \$18,300 for cancer research. Having the opportunity to train, fundraise, ride, and celebrate this accomplishment with two of my pledge brothers made the event truly special and continued to show that the bonds of brotherhood at the Hall are always evident and always growing.
