## ANNUAL REPORT BY VIRGINIA BETA BOARD

On behalf of the Virginia Beta Board, I am pleased to report that the fraternity remains in outstanding shape with an active membership of some 50 undergraduates and the premises at One University Circle are in good condition.

### Claim by National

As reported in an earlier email, recently the national through counsel protested that using the term “pre-2000 Phi Delta Theta” on the fraternity and alumni website constituted a representation of succession of Phi Society to the pre-2000 Phi Delt house. The Phi Society has long carefully avoided any such representation, and is in fact devoid of any such claim; nor would any such affirmation be desirable in any event. The Virginia Beta Board Executive Committee was prepared to challenge this baseless assertion. However, upon its legal counsel’s advice, the Alumni Association, which maintains the website, preferred to avoid any legal challenge to the Phi Society’s position on this matter. Given that we have a long and productive relationship with the Alumni Association, we had no objection to them taking away any reference to “Phil Delta Theta” or “Phi Delt” on the website. The Phi Society website continues to be maintained and Phi Delta Theta and Phi Society alumni can access it as before.

### Finances and Donation Giving

As always, the House is operating on a sound financial footing with an annual budget of some \$238,750 funded by rent, dues, and meal plan revenues. Some \$90,000 in funds from

alumni contribution and other sources remain invested in Funds under the auspices of the UVA Fund at Alumni Hall or as cash on hand for capital expenses. Since January 1, 2016, \$50,067 have been received in gifts from Virginia Beta alumni, parents, and friends (see page eight). The mortgage is presently \$212,000.

### House Leadership

The Board remains most impressed with the quality of the leadership at the House. Exec in 2017 under the Presidency of Dillon Wild '18, has navigated an exemplary year at the University. New officers, (see page five) will take office in January 2018 under the leadership of a legacy Phi: Campbell Edwards '19, President, son of David Edwards '90. Another legacy, Nick Grossman '20, son of Matt Grossman '91, will serve as Alumni Chair.

### Meal Plan

In the 1990s, virtually all UVA fraternities replaced cooks with catering services. In recent years at Phi Society and other houses, participation in House lunches and dinners declined. The VAB Executive Committee has worked successfully with the undergraduate Exec to revitalize the Meal Plan program at the House. Currently, all but a few actives are on the meal plan. The Kitchen Manager sees to the determination of desirable menus, works closely with the caterer, and maintains the kitchen in safe and sanitary condition.

## ANNUAL GIVING

**All alumni are urged to contribute to either the Phi House Fund or the Phi Educational Endowment Fund.** The former is used for attending to annual maintenance and capital repairs, and the latter is used to provide educational assistance. Both funds are maintained through the UVA Fund and such gifts are considered contributions to the University and are allocated to either of the funds. Please consider making a gift to either fund this year. Donations can be made using the enclosed form and reply envelope, through the website [phisociety.com](http://phisociety.com), or by check made out to the UVA Fund, allocated to either the Phi House Fund or Phi Educational Endowment Fund and mailed to:

UVA Fund  
c/o Phi Society  
P.O. Box 400314 Charlottesville, VA 22904

Gifts of securities may be made by mailing them to the above addresses, calling 434-924-7018, or visiting [phisociety.com](http://phisociety.com)

The University will provide a written acknowledge of all gifts. Such gifts will be counted as part of your overall donations to the University including class gifts for reunion giving.

The Board appreciates the generosity of the many alumni who continue to support the funds.

*Continued from page 1*

## Dining Room Restoration

For a number of years the Board has considered restoring the original dining room at One University Circle, which was converted into two bedrooms during the 1988 renovation. With the positive development in participation in the meal plan and support from the actives, the VAB Board will begin planning for such possible restoration with work commencing in summer 2018 or 2019. It is anticipated that the project will be funded by existing reserves as well as alumni contributions.

## Facility Management

One University Circle continues to be well managed by Piedmont Facilities Management (PFM), a well-regarded real estate management firm in Charlottesville. The VAB Board has been very pleased with the work of PFM, which throughout this year has undertaken routine and major maintenance and repair. New furniture has been purchased for the Chapter and Virginia rooms most of which has been in the House for some 15 years or more. In addition, the House Manager performs a number of tasks. Anyone interested in funding the purchase of a piece of furniture, please contact Todd Cosgrove at [tcosgrove@pfmva.com](mailto:tcosgrove@pfmva.com).

## Rush

The House, under the direction of outgoing Vice President Nathan England, is gearing up for a major rush effort. Informal

coordination is already underway, and formal rush will commence with the beginning of the spring semester in early January 2018. Any alumni recommendations are important and should be provided per instructions in the box on page five.

## 2018 Spring Events

This spring, the House will again sponsor a Parents Formal dinner dance which will be held at the Boar's Head Inn in April 6. The annual Founders Day and Cudlip events will take place at the House April 26-27, 2018. Foxfield Races are April 28.

## 145th Anniversary

The 145th will occur in fall 2018 on the weekend of a home football game.

Please feel free to contact me or other members of the Board (see page six) whenever you have any questions about the Fraternity. Many thanks for your support of the House.

Yours in the Bond,

Harry R. Marshall, Jr. '61

## MESSAGE FOR PHI SOCIETY PARENTS

Your son is a member of a UVA fraternity with a rich heritage going back to its founding in Lawn rooms in 1873. As you may know, all the alumni of Phi Society are members of the fraternity's alumni organization, Virginia Beta Incorporated, which, through its Board of Trustees, provides advice and support to the undergraduate members of the fraternity. Virginia Beta is the general partner of the limited partnership which owns the fraternity's home at One University Circle and oversees the maintenance of the facility. Last year, the Board was pleased to underwrite some of the cost of the Phi Parents Formal and will do so next spring for the event on April 6, as well. Parent involvement in the life of Phi Society is important.

Just as generations of undergraduates have joined the fraternity, generations

of its alumni have served on the Virginia Beta Board. It is a well-established fact that the university alumni involvement in the fraternities is an important element in maintaining the fraternity in good standing within the university community.

Every year we ask the alumni to contribute to either the Phi House Fund or the Phi Educational Endowment Fund. The former is used for attending to annual maintenance and capital repairs of the house at One University Circle and the latter is used to provide Phi educational assistance. Both Funds are maintained through the University of Virginia Fund and, accordingly, such gifts are also considered contributions to the University.

We hope that you will consider making a gift to either Fund this year. You can

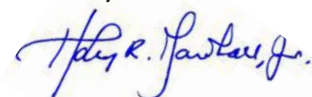

send a check by following the instructions on the bottom of page 1.

Donate online through the website [phisociety.com](http://phisociety.com).

You can use the enclosed form and reply envelope.

Please feel free to contact me whenever you have any question about the fraternity. Many thanks for your support of Phi Society.

Sincerely,

Harry R. Marshall, Jr., '61  
President, Virginia Beta Incorporated

# PRESIDENT'S REPORT

Dillon Wild '18

As 2017 comes to a close, it is important to call to mind the recent accomplishments of the brotherhood and its current state. Throughout the year, Phi Society has continued to build upon its stellar reputation on Grounds and has put itself in a position to thrive in the future at the University.

## Extracurricular Activities and Club Team Intramurals

The brothers of Phi Society have continued to remain active in the University and Charlottesville communities over the past year. Brothers are currently participating in various organizations including Student and Class Councils, UVA Athletics, WUVA, Order of Omega, and numerous committees within the Inter-Fraternity Council.

## Athletics

Phi Society has continued to build on its past athletic success in both Club and Intramural Sports. Recent alumni Scott Patterson '17 and Blake Ruzich '17 served as President and Treasurer of the Club Soccer team last fall and led the team to a Club Soccer National Championship this past year, alongside brothers Aldomaro Algarra '19, Andrew Duran '19, and Tyler Morgan '20, who also play on the team. Matthew Kimble '18 plays on the club basketball team, Jacob Maupin '18 plays on the club lacrosse team, and Henrik Pohlmann '18 is a member of the club swim team, which achieved the 2017 National Championship. Phi Society took home an IM Championship in Indoor Soccer this past year.

## Internships and Careers

As always, the brotherhood continues to pride itself on accepting positions with reputable companies upon graduation. Among those who graduated last spring, many have accepted impressive positions including: Derek Rush with Piper Jaffray, Blake Ruzich with FTI Consulting, Bryan Pfirmann and Clayton Hatcher with Oracle, Joshua Tupper with IFC International, Scott Patterson with General Dynamics Mission Systems, Daniel Drangstveit with Lockheed Martin, Peter Scaturro with The Foreign Policy Association, and Cameron Kuchel with Amazon Web Services. The current third and fourth years in the brotherhood held a number of impressive internships this past summer as well.

Founders Day Dinner, Cudlip Weekend, and the Horny Korny Award

The 27th Annual Jeffrey Cudlip Ceremony and 144th Founders Day dinner took place at the House on the weekend of April 28. The 2017 Jeffrey Rockwell Cudlip winner was Justin Cooksey '19; Jeffrey's sister, Charlotte Bartol, and others presented him with a medal and a financial award at the ceremony. A number of the brotherhood's most prestigious awards were presented at Founders' Day. The Joseph C. Turner Memorial Award for athletic achievement was given to Scott Patterson '17, the Maupin Pence Memorial Award for academic excellence was given to Jad Malas '17, and the Record for 'Best Phi' was given to Derek Rush '17. Additionally, Derek Rush '17 was the recipient of the Virginia Beta Award for excellence. The Charles T. "Chick" Cudlip award, for the alumnus who had made a significant contribution to the brotherhood, was given to Mike Campbell '91. The winner of the 2016 Horny Korny was Scott Petterson '17.

## Annual Parents Formal

This past spring Phi Society hosted its Annual Parents Formal at Boar's Head Resort on April 7. It was a very enjoyable and memorable evening attended by over 40 sets of parents. As in years past, the event included a cocktail hour at the house, followed by dinner and dancing at Boar's Head with live music from the Adrian Duke Project. Special thanks are extended to Blake Ruzich '17 for planning this excellent event. We look forward to continuing this wonderful tradition with Phi Society's 4th Annual Parents Formal this upcoming spring, planned for April 6 at Boars Head.

## Community Service/Philanthropy

Phi Society has continued to value the importance of philanthropy and community service within the Charlottesville area over this past year. Philanthropy Chair Clay Neal '18 has continued to do an excellent job in his second term in this position, organizing a successful spring Fish Fry Philanthropy benefitting the Multiple Myeloma Research Foundation and the 3rd Annual Phi Splashdown earlier this fall benefitting the Wounded Warrior Project. Brothers have volunteered hundreds of hours of their time this past year with a variety of local organizations.

## 2018 Forecast

### Rush

Rush Chair Nathan England '18 is looking forward to leading Phi Society to yet another successful rush in January, alongside the newly formed Rush Committee. This Committee consists of two brothers from each pledge class in the house and is tasked with assisting the Rush Chair in the planning and execution of Spring Rush events. Please provide any potential rushee information to Nathan England at [nle4bz@virginia.edu](mailto:nle4bz@virginia.edu). We look forward to the success of this committee and to welcoming another quality class of rushees into the brotherhood this spring.

### 145th Gala

This event will take place on a football weekend in fall 2018 with a number of festivities. A date for the event will be determined in early January and further information will follow.

Yours in the Bond,  
Dillon Wild '18  
President (2017)
