Dear Frank,

This year marks the 20th anniversary of our graduation (well, most of us). In ordinary times, that would be cause for celebration, but we are unfortunately not facing ordinary times. As the COVID pandemic has disrupted nearly all aspects of our lives, we recognize that this has also put a strain on the VRA. Rowing at Virginia has been foundational in each of our lives, and we want to ensure that experience remains available for this generation and into the future. To that end, the Classes of 2000 and 2001 offer a challenge grant, matching dollar-for-dollar all donations to VRA up to \$20,000 in our 20th anniversary year. Please share this challenge with the VRA family, and together we'll come through this stronger.

Stay safe, healthy, and strong. And Go Hoos!
